Claim Number	Name	Debtor	Tickers	Ticker Quantity
Reason: The Claimant did not provide proper documentation to support the asserted customer entitlement claim. The claimant has provided no facts in the claim to demonstrate Debtors' alleged liability for profits from NFT sales. Further, the claimant has made no allegations regarding which, if any NFTs were sold, when such sales would have occurred, or why it should be entitled to the hypothetical profits from such sale. The claim does not satisfy the claimant's burden of alleging facts sufficient to demonstrate Debtors' liability on the claim, so the claim should be disallowed. Utilizing the information provided within the claim form and following a robust review of the books and records, the Debtors have not identified any liability owing to, or customer entitlement of, the claimant.
